

Name: Sonya

Age: 3.

Nationality: India.

Family: Mom and dad are dead.

Reason of homelessness: Tsunami (Sonya's house was located at the beach where a huge wave came, just when she was asleep with her mum and dad).

Sleeps: On the street.

Occupation: Looking for food.

Afraid of: To die in a Tsunami herself.

Is dreaming of: A family.

If I got \$100: Buy food.

Facts about the country and the reason of homelessness:

India has more than a billion people. The capital is Delhi. India is a poor country.

A tsunami is like a huge wave. The reason of a tsunami is an earthquake under the water – a hard quake under the water that makes big vibrations until the water reacts and takes shape as a huge wave.
